

2018-2019 Building Goals – Hamilton Elementary School

Goal #1: Establish a positive behavior system (PBS) within the school as measured through parent and staff survey data.

Goal #2: Establish a system within the school that fully ensures fluency instruction that is focused, strategic, and implemented with fidelity. 83% of students will meet their student learning objectives in performance measures 1-3.

Goal #3: 80% of students in grades 2 - 5 will improve by one point in at least 3 out of 5 areas of the District Writing Sample Rubric.

Goal #4: Establish a system within the school that fully ensures the school has partnered with families to support student participation in the learning process. At least 60% of our families will participate in 1 or more of our Title I family events.
