

EVER CONSIDER BEING A NURSE?

Inspired Nursing Program

Monday February 19, 2024

Friday August 2, 2024

Monday October 14, 2024

Begins at 7:45am – 12:00pm

Inspired Nursing is a program for those interested in exploring a professional career in nursing. The program highlights the diversity of roles and opportunities which exist in nursing. The day begins with brief presentations by nurses who practice in a variety of roles and clinical areas.

Inspired Nursing participants then have an opportunity to tour our clinical nursing units and participate in hands-on nursing activities in our high-fidelity Simulation Center.

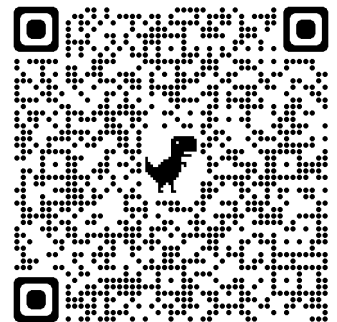

All participants must submit appropriate paperwork before their registration can be finalized.
