This contract shall be applied throughout the in-season time frame, both to and from school-sponsored activities.

As a Coach of the Carlisle football team, I promise to:

- ✓ Accept the responsibilities of team membership: cooperation, support of my teammates, shared responsibilities, positive interaction, and mutual respect.
- ✓ Express my ideas and thoughts appropriately.
- ✓ Realize that all decisions made by the coaching staff are in the best interests of the team and thus will be accepted as such.
- ✓ Set an example both on and off the field for others to follow.

Parents:

As a parent or guardian of a member of this football team, I promise to:

- ✓ Be a model of appropriate language and behavior in my son's or this team's presence.
- ✓ Reflect a positive attitude towards my son's efforts both on and off the field.

- ✓ Not only say, but show my son I care about his efforts both on the field and in the classroom.

Mediation Procedure:

The following sequence should be followed in attempting to resolve any misunderstandings related to the administration of the program:

1. Athlete-coach conference.
2. Parent(s) and athlete-coach conference.
3. Parent(s), athlete-coach, and athletic director and/or principal conference.

Team Discipline:

Realizing that every individual and each circumstance or incident that may arise can and almost always is very unique in nature, it is understood that the coaching staff will analyze and thus react with appropriate disciplinary measures regarding each incident as it may occur. Below are a few good guidelines to follow:

Reasons for Immediate Dismissal from Team:

1. Any student found to be in violation of the school's athletic alcohol and drug/substance policy (smoking, drinking, drugs, etc.)
2. Stealing anything from anyone.
3. Three unexcused practices.
4. Conduct detrimental to team unity.

Missed Practices:

It goes without saying that an athlete and his team cannot produce in the game without working hard in practice. There are very few circumstances that will excuse a player from practice (Family issues, illness from school, sent home by nurse from school). **If you must miss a practice, you need to contact Coach Ickes.** Players and Parents need to understand that practice is an important of game preparation. Below are the guidelines for unexcused practices:

1. First missed practice- Will not play first half of next scheduled game.
2. Second missed practice- Will not play next scheduled game.
3. Third missed practice- Dismissed from team.

Bottom line: Do not expect to play if you do not practice.

When Speaking to the Press:

1. Always be gracious and humble toward your opponent and in regard to your individual and team accomplishments.
2. Praise your teammates.
3. Finish all interviews by thanking the reporter for his/her time.

Team Study Hall:

Because the football field is an extension of the classroom and that the future of the players as a responsible, productive adult relates more to their academics rather than their athletic achievements, every player will attend study hall that has earned **a failing grade or D in any subject.** Every Monday players will be told who needs to attend study hall. The player will attend study hall until a passing grade is earned.

- ✓ **Study Hall will be held for 1 hour. Time and place will be determined later.**
